

CPR+ Annual Maintenance Program

Are you willing to invest 1/10th of 1% of your annual revenue to make sure your staff is working efficiently and your patient & financial data is accurate?

Everything needs regularly scheduled maintenance in order to operate properly and at peak efficiency. Your software and your employees are no different. Your business **RUNS** on CPR+ ... every member of your staff uses some aspect of the system to perform his or her job. The **CPR+ Annual Maintenance Program** will keep your business running smoothly, efficiently and profitably through regularly scheduled on-site and live, web-based training. Assignment of a designated Trainer and a Project Manager who will work with you to develop and stick to a project plan to complete the package.
